THE BRIEF

Classic Albums

Essential additions to your music collection

An opinionated collection of the greatest albums of all time.

Each entry in the collection needs to include basic information (artist, track list, etc) along with a short description designed to inspire readers to seek out the album and have a listen.

The site is planned to launch as an MVP, with the bare minimum of features.

Over time, the site is expected to grow, with new functionality to be added incrementally.

KISS

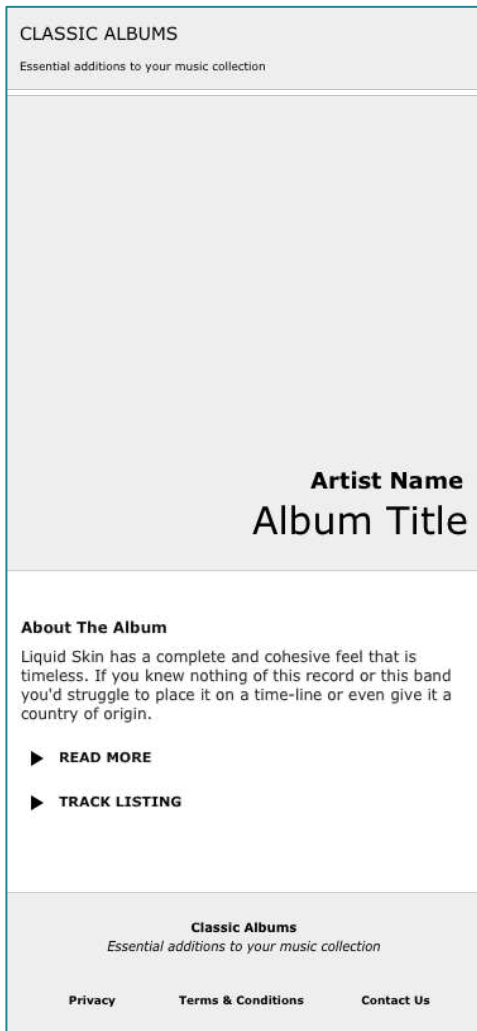

MVP

MINIMUM VIABLE PRODUCT

- One album only.
 - No navigation
 - No external content, databases, etc.
- Album Info
 - Album name
 - Year of release
 - Artist
 - Image of cover art
 - Track listing (title and duration)
 - Description of the album
- Other info
 - Classic Albums branding in header and footer
 - Links to Privacy Policy and Terms and Conditions
 - Basic Contact Us link using <mailto:> protocol
